

ALW Angels --

Check out eBay!

You will be bidding on a unique, one-of-a-kind package featuring Nick Carter of the Backstreet Boys! Here's what you get: A brand-new Build-A-Bear "NICK BEAR," wearing his official NBA (Orlando) basketball uniform, ready to slam-duck his way into your heart with his Spalding basketball, high top court shoes and hoop with backboard. After the game, he can change into his faded jeans and tank for more fun! Also included in this package is an official Humpback Whale Adoption Kit (Nick is the U.N. Ambassador for dolphins and whales!), a 'retro' Backstreet Boys coffee mug filled with gummy sea-life candies, and -- best of all -- A 2001 T.V. GUIDE FEATURING NICK CARTER ON THE COVER -- AND PERSONALLY SIGNED BY NICK HIMSELF!

If you are a Nick Carter fan, you don't want to let this item 'bounce' away from you! It is truly a collector's dream!

And of course, all money will go to help us bring needy Appalachian kids to a summer environmental camp. So -- thanks to the winner -- and thanks to NICK!
